The book I enjoyed reading during school is called *The Hunger Games*, written by Suzanne Collins. The novel is written in first person. *The Hunger Games* follows up on a 16-year old girl named Katniss Everdeen, who volunteered to go to The Hunger Games for her sister. The Hunger Games is an annual TV event where one girl and one boy from each district are chosen by the Capital, to fight to the death in a large stadium.

I would recommend this book to young-teens who enjoy action-packed novels. *The Hunger Games* will make you hungry for more!
